

127th Street

Improvements

Mur-Len to Black Bob | Black Bob to Pflumm

Save the date ... for the next public meeting!

Thursday, April 17th

7 - 9 p.m.

(A short presentation will be given at 7:00 p.m.)

Pioneer Trail Junior High School

15100 W. 127th Street

Olathe, KS 66062

As a homeowner along 127th Street, you are invited to attend this meeting.

What can I expect to see at the public meeting?

As a homeowner with property immediately adjacent to the 127th Street project from Mur Len to Black Bob Road, you are being invited to this meeting to learn more about the project and the proposed improvements. At 7 p.m., representatives from the City of Olathe will give a short presentation explaining the status and timeline of the project. The remainder of the meeting will be an open house forum and you will have the opportunity to ask questions and obtain information from the design team. The engineering consultant, TranSystems, will have maps of the preliminary design for your review. In addition, the City's Right of Way agent will be available to visit with each property owner to describe the process of property acquisition for permanent roadway right of way and/or easements. Right of way agents will begin the process of directly contacting homeowners along the project following this meeting to begin the property acquisition process. This meeting will help to educate residents regarding this process.

What is the next step after this meeting?

Following the meeting on April 17, the City of Olathe Right of Way Agent(s) will make individual contact with each affected property owner along the project. Initial contacts are scheduled to begin in mid to late May. The City of Olathe and TranSystems will also begin the process of preparing final construction plans and continue the process of coordinating with local utility companies regarding the relocation of their facilities.

As the study and design project progress, please visit the website for more information:
